

CONNECT ACROSS DIFFERENCES

Engage and appreciate diversity.

WHY CONNECT ACROSS DIFFERENCES?

Are you looking to build a more caring, cohesive, and collaborative community but aren't sure where to start? Then Roots & Wings' Connect Across Differences is for you!

Connect Across Differences (CAD) provides an overview of who we are as a company and the skills we believe in and teach.

WHAT IS CONNECT ACROSS DIFFERENCES?

CAD is an interactive workshop that provides participants the tools to support each other in navigating and embracing difference in a safe space. Throughout CAD participants ask questions and explore challenging topics to overcome judgement and stereotypes.

HOW DOES CONNECT ACROSS DIFFERENCES WORK?

Roots & Wings Training Facilitators lead a 1.5 hour interactive workshop with Q&A time and plenty of resources to take home. Throughout the workshop each R&W skill is taught and participants have an opportunity to practice them. We supply all materials needed for CAD and offer ongoing consultation before, during and after.
