

# COMMUNITY SPEAK OUT

BE here. BE open. BE you.

## WHY COMMUNITY SPEAK OUT?

Are you looking to build a more caring, cohesive, and collaborative community? Then Roots & Wings' Community Speak Out is for you!

CSO is a program that provides a safe forum for difficult conversations to happen. Through CSO communities find common ground for engagement and collective action to build positive culture change.

## WHAT IS COMMUNITY SPEAK OUT?

Community Speak Out (CSO) is a program designed to bring together diverse voices to identify current community challenges. Representative members facilitate the Speak Out to help establish action steps that will strengthen the community and create an inclusive environment.

## HOW DOES COMMUNITY SPEAK OUT WORK?

Roots & Wings (R&W) prepare facilitators for the Speak Out over 4 hours of training. Two to three R&W staff are available throughout the program. All materials needed for CSO are provided by R&W and we offer ongoing consultation before, during and after the program.
