

LEAD IN^{TER} & TRA FAITH

Continue to embrace, empathize, and empower.

WHY LEAD IN(ter&tra) FAITH?

Are you looking to further embrace your faith values and engage with people within and outside of your faith group? Then Roots & Wings Lead In(ter&tra) Faith is for you!

Lead In(ter&tra) Faith provides space for youth and mentors to reflect upon their own beliefs to connect better to others within and outside of their faith community.

WHAT IS LEAD IN(ter&tra) FAITH?

LIF is a two part workshop designed for youth leaders and their mentors. Part one gives youth the opportunity to explore how their beliefs impact their leadership and the challenges they face when connected to people within and outside their faith community. Part two provides mentors the tools to support the youth through giving effective feedback and promoting a growth mindset.

HOW DOES LEAD IN(ter&tra) FAITH WORK?

Roots & Wings Training Facilitators lead two 6 hour workshops. Youth learn to use their faith practices as a tool to embrace and empathize as mentors learn to promote deeper engagement. We supply all materials needed for LIF and offer ongoing consultation before, during and after.
