

TEEN SPEAK OUT

BE here. BE open. BE you.

WHY TEEN SPEAK OUT?

Are you looking to build a more caring, cohesive, and collaborative community at your high school while also building student leaders? Then Roots & Wings' Teen Speak Out is for you!

TSO helps develop a school culture where students, teachers, and administrators feel they belong. The program provides a safe forum for diverse and difficult conversations to happen. TSO is a vehicle for youth voice and leadership development which aids teachers and administrators to build a path for culture change.

WHAT IS TEEN SPEAK OUT?

TSO is an experiential program that builds leaders and connection in your school. Teens with the support of adult mentors, facilitate a school-wide speak out to establish an action plan that will strengthen the community and create a positive and inclusive climate.

HOW DOES TEEN SPEAK OUT WORK?

Roots & Wings (R&W) prepare the student facilitators and adult mentors for the Speak Out over 4 days of training. Two to three R&W staff are available throughout the program. All materials needed for TSO are provided by R&W and we offer ongoing consultation before, during and after the program.
