TEEN SPEAK OUT

BE here. BE open. BE you.

Create the foundation for genuine connection & diverse conversation.

Teen Speak Out (TSO) is an experiential program. Teens, with support of adult mentors, facilitate a school-wide Speak Out to help establish action steps that will strengthen the community and create a positive and inclusive climate.

How does it work?

- We prepare student facilitators and adult mentors for the Speak Out with 4 days of training
- We provide 2-3 Roots and Wings trainers throughout the program
- We supply all materials needed for the Speak Out and trainings
- We offer ongoing consultation before, during and after the Speak Out
